|---|--------------|
| <p>Retain <i>Keep Them Safe</i> as the framework for the NSW child well-being and child protection system.</p> | |
| <p>Commit to OOHC services being delivered by NGOs, to be gradually implemented over 5 years from 2011.</p> | |
| <p>Commit to additional transition funding upfront to facilitate the development of expanded NGO service provision and ensure that the transition process is well planned and well managed.</p> | |
| <p>Commit, through fair and reasonable contracting arrangements, to funding based on the full costs of delivering accredited, quality care for all children in Out-of-Home Care.</p> | |
| <p>Commit to the establishment of a joint Government/NGO transition planning process run through the Department of Premier and Cabinet as a matter of urgency.</p> | |
| <p>Expand Aboriginal service provision and infrastructure to ensure that Aboriginal children can be placed with Aboriginal agencies.</p> | |
| <p>Jointly develop new outcome measures for children and young people in care, with all performance measurement to occur via the Children's Guardian.</p> | |
